Catering

All food and catering are under the family's responsibility. Chabad at Monterra will not provide food arrangements. Any and all food arrangements must be approved by Chabad at Monterra. Most caterers that are under strict Orthodox supervision are acceptable. The Shul must approve the caterer and menu and reserves the right to deny any caterer the right to cater an event at the Shul. Please inform the Shul of the caterer and menu of your choice in advance to avoid any last minute surprises and to allow the Shul to make all necessary arrangements, ensuring 100% satisfaction.

Initial

All preparation for the event must be completed before Shabbat and be coordinated with the office.

Initial

I will cover any additional cleaning cost or damage made to the synagogue.
